Application Process

Holders of the JAIBP from the Institute of Bankers Pakistan who wish to apply for International membership of the Chartered Banker Institute and attain Associate Chartered Banker status, should complete and submit the application form above, along with an **attested** copy of the relevant award certificate **or** an **attested** copy of either the relevant transcript of studies **or** results letter from the Institute of Bankers Pakistan - these **must** be in **PDF** format.

NB. Where the required evidence is not properly attested; or where one or more documents are missing; or where the evidence is not PDF format, the application will not be assessed.

Attestation of Qualifications / Transcripts

The attestation (certification) of each document must be made by an individual of professional standing. For example, this could be an accountant, notary public, solicitor or doctor. Alternatively, your employer may attest the document(s) if you are employed by a **major bank** or other **major** and **widely-recognised** employer.

To attest a copy, the individual should:

- state the following on the document: 'I have seen the original document and certify that this is a complete and accurate copy'
- write their name, position and / or capacity, e.g. solicitor, employer, etc. and a contact address and an official stamp wherever possible
- add their signature and the date.

This will normally be sufficient but the Institute may, at its discretion, also require applicants to provide further evidence of their qualification.

Once this form is complete, please return to info@charteredbanker.com or the following postal address:
